

# Packing Tables by SPACEGUARD

## Bench Mounted Cutter

The Bench Mounted Cutter is designed to be attached to packing tables to make cutting packaging quick and easy.

It is ideal for neatly cutting bubble wrap, kraft paper, and wrapping paper.

The Bench Mounted Cutter comes in four sizes to suit packaging up to 1500mm in width.

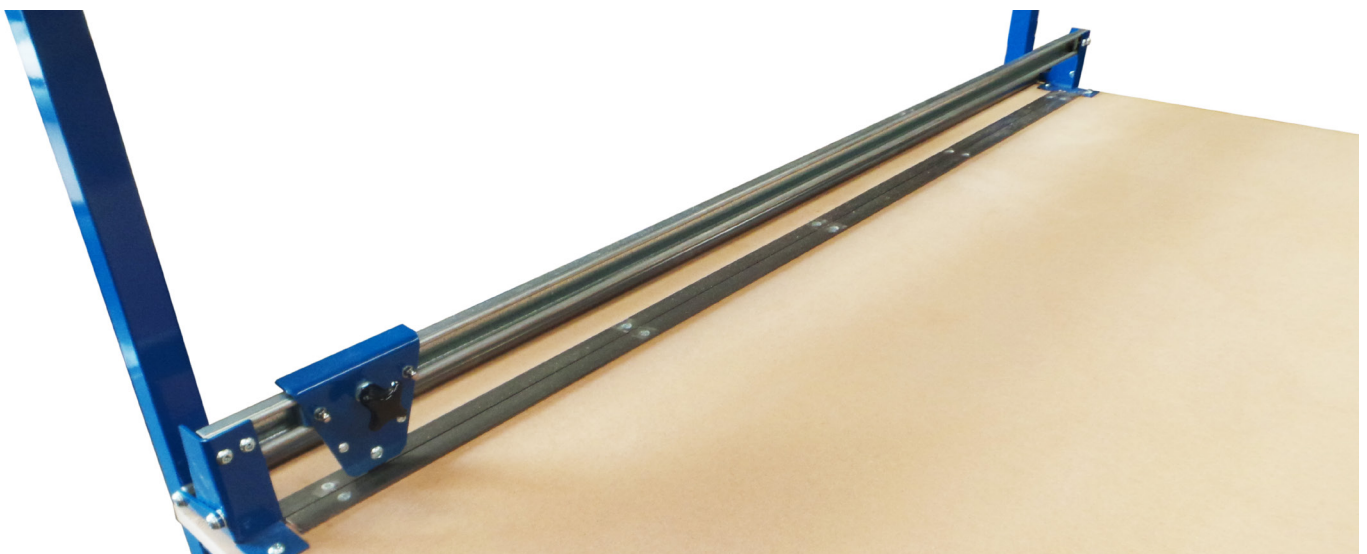

The blade is replaceable, you can find spares on our store ([RCUTBL](#))

**Web Prices include FREE UK Mainland Delivery**
