

# Packing Tables by SPACEGUARD

## Wall Mounted Cutter

The Wall Mounted Cutter is designed to be fixed to the wall to create a packaging dispensing and cutting station that takes up less floor space.

It is ideal for neatly cutting rolls of bubble wrap, kraft paper, and wrapping paper.

The Wall Mounted Cutter comes in four sizes to suit packaging up to 1500mm in width.

The blade is replaceable, you can find spares on our store ([RCUTBL](#))

**Web Prices include FREE UK Mainland Delivery**

<b>Construction</b>	Steel	<b>Assembly</b>	Attach to wall (Requires 6-8)
<b>Colour</b>	RAL 5010 (Blue)	<b>Weight</b>	10-30kg
